

## PICASSO'S ANIMALS

Number of players: **5-10** (can be done by dividing a larger group into several teams)  
Age of players: **any**  
Duration: **15 minutes**

### Materials Needed:

- One sheet of paper for each participant
- A pen, pencil, or crayon for each participant

### Before the Activity:

Ask all participants to prepare a sheet of paper (A5 or A4) and something to draw with (pen, pencil, or crayon).

### Gameplay:

1. Instruct each participant to think of any animal and start drawing it on their sheet of paper.
2. After a moment, ask participants to stop drawing and pass their sheet with the initial illustration to the person sitting next to them.
3. Upon receiving a sheet, participants continue drawing the animal they received, completing the drawing.
4. Repeat the passing of sheets several times.

### Game Conclusion

After completing the game, review the unique creatures that have been created together. You can even come up with names for these new animal species.
